The Bureau, founded in 2001, assists educational institutions, associations, and companies find just the right speakers for their events. The cornerstone of the success of our company has been the time we take to understand each client's needs so that we may assist them in choosing a speaker who will be a great fit for their particular group.

Keynote Speakers • Seminars • Workshops

Some of our most popular topics include:

- Team Building • Communication Skills • Leadership Cultivation
- Sensitivity Training • Stress Management • Overcoming Adversity
- Peak Performance • Employee Productivity • Networking Skills
- Safety Awareness • Prevention Programs • Work/Life Balance

"Thank you very much for your presentation on 'Quality in Everything We Do.' It was very well received at all of the participating BMS sites. Your message will help to motivate BMS employees behind our mission to 'extend and enhance human life.' Thank you for helping make our program a success."
